Dear

## **Dumfries and Galloway Projects**

Just a very quick note to say many thanks both for coming along to one of our open days last week and for taking the time to complete our feedback form.

You may have already been in touch with me or Richard Seymour, the Project Manager, regarding questions you have, but I just wanted to say that if you did ask a question or for more specific information on your feedback form we will be back in touch soon. There are quite a few to get through!

We'll be back again either towards the end of this year or early next year for another round of open days and I'll write to let you know what the dates are nearer the time.

Kind regards

Fiona Milligan

### **Shepherds' Rig and Stroanshalloch Wind Farms**

Just a very quick note to say many thanks both for coming along to one of our open days last month and for taking the time to complete our feedback form.

You may have already been in touch with me or Richard Frost, the Project Manager, regarding questions you have, but I just wanted to say that if you did ask a question or for more specific information on your feedback form, and you haven't as yet heard from us, we will be back in touch soon.

All the information presented at the open days is available to view on the website (for both projects) [www.shepherdsrigwindfarm.co.uk](http://www.shepherdsrigwindfarm.co.uk)

Kind regards
