Your opinion is important to us. We would appreciate you taking a moment to complete the following questionnaire so we can find out more about your views on the wind farm proposals this open day is all about. The aim of this questionnaire is to allow individuals to contribute to the development process and interact with Infinergy. This is not a substitute for the official planning process. No personal information will be passed on to third parties.

1. What are your views on the use of renewable energy to help meet our energy requirements?
(onshore and offshore wind, solar, biomass, wave and tidal power, amongst others)

☐ Very supportive ☐ Supportive ☐ Undecided ☐ Opposed ☒ Very opposed

2. What are your views on the use of wind energy in particular to help meet our energy requirements?

☐ Very supportive ☐ Supportive ☐ Undecided ☐ Opposed ☒ Very opposed

3a. How do you feel about the proposals we are showing you today?

☐ Very supportive ☐ Supportive ☐ Undecided ☐ Opposed ☒ Very opposed

3b. Why do you hold this view? Please state

The visual intrusion and destruction of the character of the landscape

4. How close do you live to the proposed wind farm sites?

Within 1km (0.6 miles) Between 1 & 5km (3.1miles) Further than 5km (3.1miles)

Shepherds' Rig

☐☒☐

Stroanshalloch

☐☒☐

Marnhoul

☐☐☐

5a. To develop these windfarms, Infinergy conducts a range of surveys that assess the current situation on site and the potential impact of the proposals. Are there any specific elements of the projects that you are interested in and would like to be updated about? Yes ☒ No ☐

Please tick the issues that interest you most:

☒ How the wind farm might look

☒ Local wildlife

☒ Potential noise from turbines

☐ Tourism

☐ Community ownership opportunity

☐ Other (please state below)

☐ Electricity output - homes powered

☒ Site traffic during construction

☐ CO2 savings

☒ Local archaeology*

☐ Potential economic benefits from the project

*by this we mean any effects the wind farms might have on remains of historical value, either above or under the ground.

5b. If you have any further interests or comments please state below:

Word of mouth ☒ Newsletter ☐
Google or other search engine ☐
Local paper ☐ National paper ☐ Radio ☐ TV ☐
Invitation to Community Open Day ☐
Other (please state)

7a. Infinergy is keen to involve the local community in some form of community ownership at these sites. What are your views on your community investing in such projects?

☐ Very supportive ☐ Supportive ☐ Undecided ☐ Opposed ☒ Very opposed

7b. Why do you hold this view? Please state

The local community is not equipped or capable of making sound decisions on such investments

8. Please use the area below to ask a specific question or comment on the wind farm proposals

Comment/question relates to:

Shepherds' Rig Wind Farm ☒ Stroanshalloch Wind Farm ☐ Marnhoul Wind Farm ☐

Any proposal should take account of the cumulative impacts of the other wind farm proposals in the vicinity (i.e. Longburn, Quantarn). Without this the information provided is meaningless.

9. If you would like us to respond to any of the comments you have made or questions you have asked in this questionnaire, please indicate here, and if required we will get back to you soon.

disturbance of peat

*by this we mean any effects the wind farms might have on remains of historical value, either above or under the ground. — not

just the remains, also their setting

5b. If you have any further interests or comments please state below:

Noise from the turbines
The view from the SW will be spoiled, especially from
the well advertised Marquhill Hill with its "fabulous views
to Cairnsmore of Carsphairn" (Visit Scotland, walking in the
Glenkens"

6. How did you first learn about the projects?

Word of mouth ☐ Newsletter ☒
Google or other search engine ☐
Local paper ☐ National paper ☐ Radio ☐ TV ☐
Invitation to Community Open Day ☐
Other (please state)

7a. Infinergy is keen to involve the local community in some form of community ownership at these sites. What are your views on your community investing in such projects?

☐ Very supportive ☐ Supportive ☒ Undecided ☐ Opposed ☐ Very opposed

7b. Why do you hold this view? Please state

Developers try to bribe the local community. Carsphairn
already has a huge income from other windfarms, it
doesn't need more.

8. Please use the area below to ask a specific question or comment on the wind farm proposals

Comment/question relates to:

Shepherds' Rig Wind Farm ☒ Stroanshalloch Wind Farm ☐ Marnhoul Wind Farm ☐

I hope you will be open and honest about
your proposal

There are other sites that could produce the governments'
targets for energy from windpower. Carsphairn area
has done its bit. The cumulative visual impacts are great.
The B279 between Marquhill and Carsphairn will be full of turbines

9. If you would like us to respond to any of the comments you have made or questions you have asked in this questionnaire, please indicate here, and if required we will get back to you soon.
